Acceptance of this order form implies that the sender will pay for the appraisal within 30 days of completion. Unless otherwise stated, the purpose of the appraisal is to estimate market value as of a specific date. The function is to aid the client in rendering a decision for financing purposes. Compensation to the appraiser is not contingent upon the reporting of a predetermined value or direction in value that favors the cause of the client, the value estimate, the attainment of a stipulated result or the occurrence of a subsequent event. Appraisals are typically completed within five business days. **Please stipulate whether original or e-mailed PDF copies are needed. If report is to be delivered via email, please include recipient's e-mail address.**
